HEALTHCARE INDUSTRY

Help Fill the Need

This is one of the fastest growing industries in America. The healthcare industry will continue to grow as the majority of America's population continues to age. In fact, this will be the largest group of seniors the world has ever seen. There will be a great demand for healthcare. As a result, there will be a greater than ever demand for skilled employees. To meet state requirements for social services, within each health care facility, more and more social service designees will be needed.
